Quotes by Pat Robertson:

"The Bible does talk about cuttings and piercings. All this stuff is a remnant, or an emblem of satanism -- the tattoos, the body piercing, all this. In many cultures, for example, the demonic powers invade people and supposedly they're immune to pain, and then they skewer themselves. They stick things through their tongues and their mouths -- this type of thing comes directly from satanism. So the rings in the ears, I don't know. It's just one part of weirdness and it's one part of teen-age rebellion and what do you do with them? I hope they don't get their ear lobes pulled off by somebody someplace. But if you've got any solution, I don't know what it is, except to sit down and talk to them and say, `Look, this is from paganism. You are a Christian.'"

--The 700 Club, "Bring It On" Segment

"I think we ought to close Halloween down. Do you want your children to dress up as witches? The Druids used to dress up like this when they were doing human sacrifice... [Your children] are acting out Satanic rituals and participating in it, and don't even realize it."

--The 700 Club, October 29, 1982

There will never be world peace until God's house and God's people are given their rightful place of leadership at the top of the world. How can there be peace when drunkards, drug dealers, communists, atheists, New Age worshipers of Satan, secular humanists, oppressive dictators, greedy moneychangers, revolutionary assassins, adulterers, and homosexuals are on top?"

- Pat Robertson, The New World Order, p. 227, Word Publishing, 1991

"Many of those people involved in Adolf Hitler were Satanists, many were homosexuals - the two things seem to go together"; ThinkExist.com Quotations

Feminism is a socialist, anti-family, political movement that encourages women to leave their husbands, kill their children, practice witchcraft, destroy capitalism and become lesbians."; ThinkExist.com Quotations
